

*Do men get a special pass for sinning sexually because they have a greater sexual desire?*

Men do not receive a "pass" from God for sexual sins due to their greater sexual desire. Sexual immorality is always a sin, regardless of gender[1][2]. While men may generally struggle more with sexual temptation due to physiological factors like a stronger sex drive and visual stimulation[1][2], this is a fact, not an excuse[1]. All Christians, both men and women, are called to live chaste lives and overcome sexual temptation[1][2][3]. God provides a way to escape temptation, making it possible for everyone to resist[1][2]. Sexual purity is important. Both men and women are responsible in their marriage to be true to one another. All forms of sexual immorality must be avoided[3][4][5].
