

*Is God logical?*

Man's ability to think logically comes from God (2 Ti 1:7). God, the creator (Is 40:28) and the giver of all good things (Jas 1:17), can be more logical than his creation (Ge 1:26–28) not less so.

Jesus used logic to argue against the Pharisees (Mt 12:25-29). They accused him of healing a demon-possessed, blind, mute man (vv. 22-37) with Satan's power (v. 24).

Jesus said, "A city or home divided against itself is doomed" (v. 25) and "If Satan is casting out Satan, he is fighting against himself" (vv. 26–29). His credentials were before their eyes.
