

*What is Jared Kushner's role as the creator of the Abraham Accords?*

Daniel 9:27 describes a covenant, perhaps the Abraham Accords created by Jared Kushner, which is made and strengthened. The "he" in Daniel 9:27 refers to the Antichrist figure[3][4]. The Abraham Accords have already been signed and more nations are looking to sign on to strengthen it, as well[1][2][5].
