

What is Way of the Future of Anthony Levandowski?

Levandowski's *Way of the Future* is a false teaching (2 Pe 2:1).

Mark Harris wrote:

Many people in Silicon Valley believe in the Singularity—the day in our near future when computers will surpass humans in intelligence and kick off a feedback loop of unfathomable change.

When that day comes, Anthony Levandowski will be firmly on the side of the machines.... [Levandowski] founded a religious organization called Way of the Future. Its purpose, according to previously unreported state filings, is nothing less than to “develop and promote the realization of a Godhead based on Artificial Intelligence.”¹

AI worship has become popular in our technocracy. Jesus warned of wars to come saying: And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet (Mt 24:6, KJV).

Mad scientists are working to create hybrid humans—merging the human body with machine technology.

When one doesn't stand for the truth, he'll fall for anything (Ro 1:21–25). Some like Levandowski have already begun to teach AI worship which is idolatry (Ac 17:29).

Hollywood makes super soldier-type beings in many of their movies. Are they trying to make the coming mark of the beast appear to be desirable? An angel will beg to differ one day. Men left on earth after the rapture will hear:

If anyone worships the beast and his image, and receives his mark on his forehead or on his hand, he himself shall also drink of the wine of the wrath of God, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. And the smoke of their torment ascends forever and ever; and they have no rest day or night, who worship the beast and his image, and whoever receives the mark of his name. Re 14:9–11, NKJV

The Christian's strength comes from the Lord (Mic 5:4).

AI—like any technology—can be used for good or for evil. AI does not save individuals (Mt 24:4-5, 24, Gal. 1:6-12, Jas 1:26). The apostle Peter said there is salvation in no other name under heaven given among men, whereby we must be saved (Ac 4:11–12). Jesus saves (Isa 63:9; Eph 5:23). Jesus *alone* saves (Isa 45:21,22; 59:16; Ac 4:12).
