

Will the standard of purity change as the world changes?

God never nailed *do not murder* and *do not commit adultery* to the cross (Mal 4:4-6, Mt 24:14). His law is perpetual and ongoing (Mt 5:18).

Those who live carnal lives (Jud 1:4) will give an account (1 Pe 4:5).

Fornication (sexual relations among the unmarried): comes from evil heart (Mt 15:19), sins against the body (1 Co 6:18), excludes from God's kingdom (1 Co 6:9) and disrupts Christian fellowship (1 Co 5:9–11)

¹

God does not change (Mal 3:6). He is committed to righteousness (Is 11:5).

His children live upright lives before him (Is 61:10). His way is the best way (Jn 10:10).
