

*What does the Bible say about us pursuing your dreams?*

It is important for the Christian who has already counted the cost of discipleship (Lk 14:31–33) to acknowledge God in his subsequent actions (Pr 3:6) not leaving him out (Lk 12:16–21).

God's way is trustworthy (Ps 52:7). The child of God can seek his face (Ps 27:8). When the believer delights himself in the Lord, he will give him the desires of his heart (Ps 37:4).
